

# Welcome to EarlyON | Waterloo Region

**Please ensure that all adults and children attending have passed the Ministry of Education COVID-19 screening prior to coming to an in-person EarlyON location.**

To prevent the spread of COVID-19 and other illnesses, and to keep you, your child, other families and our staff and communities safe, we ask that if you feel sick or have any new or worsening symptoms of illness, whether or not they are COVID related, you delay your visit to EarlyON. We welcome you to visit when your symptoms have been improving for 24-hours (or 48-hours for nausea, vomiting and/or diarrhea). We encourage you to contact your health care provider if needed.

Children who are too ill to play, attend childcare, or attend school are too ill to come to the EarlyON Child and Family Centres.

If you or your child exhibit the symptoms below upon entry to EarlyON, we will ask you to delay your visit to EarlyON until you and/or your child's symptoms have been improving for 24-hours (or 48-hours if gastrointestinal symptoms).

Runny nose with  
green or yellow  
discharge

Fever

Persistent  
/ Productive  
Cough

Nausea /  
Vomiting

Diarrhea
