

## Dental Screening - Region of Waterloo Public Health

A Registered Dental Hygienist and Dental Assistants from Region of Waterloo Public Health and Paramedic Services will be onsite to provide free dental screening to children from birth to 17 years of age. If the dental hygienist identifies that a child has a dental problem, parents will receive information about how to access dental care.

### Monarch House Screening Clinics

Registration Required

At these clinics, Board-Certified Behaviour Analysts® and speech-language pathologists will meet with you and your child for 15-30 minutes. Early identification for delays in developmental milestones is critical which is why Monarch House offers developmental screening clinics – free of charge. They will use screening tools such as the LookSee checklist to identify areas for education or need for follow-up in brief consultations.

### **KidsAbility Intake Social Worker**

To ensure your child is connected with the right supports, we offer intake appointments provided by Intake Social Workers from KidsAbility onsite at our EarlyON locations. These appointments typically last around 45 minutes and concentrate on screening your child's development and exploring any concerns you may have. KidsAbility Intake Social Workers will work closely with you and your family during this session to pinpoint the services that best align with your child's needs.
