EarlyON in Stratford Program Guide

Funded by the Ministry of Education, we offer various free, fun, and developmentally appropriate drop-in learning environments and experiences for children from birth to age 6, and their parents and caring adults.

All adults entering EarlyON Child and Family Centre locations who are not known to the EarlyON professional at the point of entry will be asked to provide government issue photo identification in order to attend EarlyON. All participants will also continue to be required to sign into KEyON.

PLAY & LEARN (0-6 years)

“How Does Learning Happen? Through Play! Join other children, caring adults and families in play and exploration together! EarlyON Educators are available to provide support and information around early learning topics, community resources, programs and referrals in our play based environment.

BABY TIME (0-18 months)

A time for parents/caregivers to find support & encouragement from their peers and EarlyON Educators in a safe and welcoming environment. For the first 30 minutes, this program will feature an engaging circle, giving infant and adult the time to delight together and find creative ways to use songs and puppets alongside developmental milestones! Families are then encouraged to play and participate in informal conversation with EarlyON Educators and other families. We welcome your family to Drop In anytime that works for you during this program.

RUN, JUMP, CLIMB (0-6 years)

A variety of gross motor activities and play toys and equipment will be available for you and your little ones to get active and have fun indoors. This program is offered in the gym at the Stratford YMCA.

MUSIC & MOVEMENT (0-6 years)

Join an EarlyON Educator and other families as we sing, dance, and explore music and movement together! Children and adults of all ages are welcome! This program features 30 minutes of guided songs and movement activities followed by 30 minutes of unstructured play and movement exploration. The program will close with some cool-down activities and a transition song.

MAKE THE CONNECTION 0-1

Make the Connection provides interactive discussions to help parents reflect on key components of secure attachment. This secure beginning sets in motion a positive course for a child's social and emotional well-being, learning in school, and contribution to society. We will also incorporate hands-on parent-baby activities throughout the program to align with discussion topics. **Registration required.**

INFANT MASSAGE (0-12 months)

Building a strong attachment with your infant is one of the building blocks to social development. This program is a great way to build this attachment while learning techniques for stimulating, relaxing, and providing relief for your infant. The adult attending and participating in infant massage must be the child's parent or legal guardian. Please turn KEyON email notifications “on” when registering for Infant Massage. An email will be sent to you that includes information you need to know about Infant Massage prior to attending. **Registration required.**

PLAY & SWIM (0-6 years)

The YMCA of Three Rivers and EarlyON in Stratford are excited to invite you to join us for a swim in the shallow end of the YMCA pool and some fun, facilitated activities with your child. Pool ratio is 1 Adult to 1 Child. EarlyON staff can provide limited child minding for children on the pool deck. Support must be requested at time of pre-attendance phone call and will be on a first come, first served basis up to our childminding capacity. Please come dressed ready to swim. Each individual who is entering the pool needs to be registered. Life jackets and floatation devices are available for both adults and children. You may bring in a floatation device from home, however, puddle jumpers and water wings are not permitted. **Registration Capacity is limited. Please register for one timeslot only. Please turn notifications on in KEyON to receive important information about this program**
