

# EarlyON | Waterloo Region In-Person Programming

December 2021

## Play and Explore with us!

EarlyON | Waterloo Region provides a variety of developmentally appropriate, fun, and interactive learning opportunities for you and your child to explore together. [Program descriptions](#) can be found on our website. Visit our [EarlyON Experience](#) page to prepare for your visit.

## KEyON Support

For support with accessing, creating or registering with your KEyON account, please email us at [earlyyearsinfo@ytr.ymca.ca](mailto:earlyyearsinfo@ytr.ymca.ca)

All adults are required to have their own KEyON account. If you have created multiple accounts for the same adult, challenges are expected. We can help.

## Unplanned Closures

If you are pre-registered to attend and there is an unplanned closure, our team will contact you using the contact information associated with your KEyON account.

## COVID-19 Expectations

- Only participants who are pre-registered to attend will be permitted entry and/or to participate.

- Families may only choose one in-person location to attend. The same location can be attended multiple times.
- All participants who arrive at the location are required to be pre-registered and to successfully pass a COVID-19 screen to be permitted entry.
- Adults and children age 5 and up are required to wear masks indoors at all times, and outdoors when not sitting within your individual family space. Masks are encouraged for those 2-4 years of age.
- Physical distancing of 2 metres between families is expected indoors and outdoors.

## Changes to Attestations

- Attestations will need to be received a minimum of ½ hour (30 minutes) before the family's visit for them to attend. The EarlyON team needs to confirm that attestation was received and the family has passed the screening before the family arrives and the program begins.

## Parent/Guardian Permission

Please ensure that all children that you are bringing have been added to your KEyON account. You will be required to have the parent or guardian complete a COVID-19 screen (parent permission form) on the day of your visit. If you need one of these forms emailed to you, please notify the EarlyON Team Member who calls you prior to your visit. If the form is not completed by 9:00am on the day of your visit, you will not be able to participate.

# EarlyON | Waterloo Region In-Person Programming

## November 2021

[Program Calendar](#)

## How to Register

**Step 1:** Choose **ONE** in-person EarlyON location

**Step 2:** Login to **KEYON** and select your location from the “Centre” drop down menu

**Step 3:** Choose the program and register. Registration closes at minimum at 9:00am, 1 business day before your scheduled visit begins. Please view [this video](#) for registration steps.

**Step 4:** An EarlyON team member will call you to share the details of your EarlyON location and what to expect on arrival. This is your last opportunity to make changes to your pre-registration including the adult and children registered.

**Step 5:** Arrive at the time of your visit. If your plans change, and you are unable to attend, please login to your KEYON account and cancel your registration. All participants attending will be required to be pre-registered and will need to successfully pass an onsite COVID-19 screening prior to participating in the program.

**Attention: Families attending EarlyON at Victoria Hills Community Centre**

**Starting December 1st 2021**, our EarlyON programming will be moving indoors Mondays – Thursdays at **Victoria Hills Community Centre**.

Due to the [City of Kitchener's COVID-19 Proof of Vaccination Policy](#), all individuals eligible to receive the COVID-19 vaccine will be required to produce proof of vaccination to enter Victoria Hills Community Centre to attend EarlyON at this site.

The Stroller Walk (Fridays) will continue to be offered outdoors and proof of vaccination to attend this program will not be required.
