

EarlyON | Waterloo Region

July 2021 Outdoor Programs

Play and Explore with us Outside!

Starting in July 2021, EarlyON | Waterloo Region will provide a variety of pre-registered, outdoor locations where you and your child can explore developmentally appropriate, fun, and interactive learning opportunities together.

Step 1 – Login to your account at www.KEyON.ca

As part of our reopening guidelines, all EarlyON programs and services require pre-registration and have a limited capacity that aligns with those outlined in the [Ontario Roadmap to Reopen](#).

For steps on creating, updating and accessing your KEyON account, email us at earlyyearsinfo@ytr.ymca.ca or visit <https://earlyyearsinfo.ca/earlyon-experience/>

Step 2 – Select Your EarlyON Outdoor Location

As part of our reopening guidelines, you are only able to attend programming at **one outdoor EarlyON location this summer**. You are welcome to register for any programming offered at that one location.

Once you have logged in to your KEyON account, use the drop down at the top of the Calendar page to select the location you are interested in registering for.

Opening July 19th

- EarlyON | Riverside (250 William Street, Elmira)
- EarlyON | Cedar Creek (55 Hilltop Drive, Ayr)
- EarlyON | Water Street (73 Water Street N, Cambridge)

Coming Soon!

Stork Family YMCA
Huron Natural Area
Wilmot Location

Step 3 – Register for Programs

The KEyON calendar will show you programs that are currently available for registration at the location that you have selected. Each program will have an assigned participation capacity. All adults planning to attend will need to login to their own KEyON account to register. Only those individuals who are registered to attend will be able to participate. Please view [this video](#) for registration steps. Registration for all in-person programs will close at 9:00am a minimum of 2 business days before the program is offered. Series based programs will close at 9:00am 2 business days before the first session.

Step 4 – A call from our EarlyON Team and COVID-19 Screening

Once registration closes, an EarlyON team member will contact you to confirm the location that you have selected and the program you have registered for. They will also share with you the details of your outdoor location and what to expect on arrival. All participants attending will be required to be pre-registered and will need to successfully pass an onsite COVID-19 screening prior to participating in the program.

Please Note: All programs will operate rain or shine. Please dress appropriately for the weather. Programs will be cancelled in the event of a lightning storm and/or extreme weather. You will be contacted by an EarlyON team member if your program is cancelled.
