

Monarch House Screening Clinics

Registration Required

At these clinics, Board-Certified Behaviour Analysts® and speech-language pathologists will meet with you and your child for 15-30 minutes. Early identification for delays in developmental milestones is critical which is why Monarch House offers developmental screening clinics – free of charge. They will use screening tools such as the LookSee checklist to identify areas for education or need for follow-up in brief consultations.

Zero2Six Children's Mental Health Consultation

Registration Required

The Zero2Six program offers consultation sessions to parents and legal guardians of infants, toddlers and preschoolers (birth to six years of age). Consultations focus on social and emotional development, behaviour challenges, and parenting strategies.

Quick Response Counselling

Registration Required

Quick Response provides children and youth up to the age of 18, and/or their families, a brief consultation and counselling session to help you to feel connected and supported quickly. After the consultation, you will leave with a plan including strategies and possible referrals to other supports or services. Quick Response at Woolwich Counselling Centre is offered through a partnership with Camino Wellbeing + Mental Health.
